"5 Why Process" for Problem Identification

Describe a specific problem you have observed in your classroom or school:

Why does/doesn't *this* happen?

Why does/doesn't *this* happen?

Why does/doesn't *this* happen?

Why does/doesn't *this* happen?

Why does/doesn't *this* happen?

Stop the "5 Why Process" when you believe you have identified the root cause of the original problem.
